

OFFICE OF DEFENSE TRANSPORTATION
Division of Motor Transport

The enclosed form(s) is for the continuation, after the week ending June 26, 1943, of "Weekly Operation Report" and "Tire Inspection Record" presently required to be maintained on the reverse side of your Certificate of War Necessity.

A copy of this form must be kept with the Certificate on the vehicle while such vehicle is being operated.

The operator, upon receipt of form(s) will complete the following:

1. Certificate Number-(to be entered in the space provided in the upper left hand corner of form)
2. Description of Vehicle-(to be entered in the space provided directly under the name and address. Should correspond with description appearing on the Certificate and the 1943 registration number)

It is required that the "Weekly Operation Report" be maintained up to date, in order to justify the continuation of allotments made to you for the operation of your vehicle(s).
